

First Grade Summer Activities (Incoming K Students)

Read daily for 15 minutes:

Epic Reading Program (pick a book from here)

**Look up books by DRA level 2-12 levels

**Write the title, characters, setting of the story.

Journal Writing Daily: Write two spaces tall.

Write a daily journal about your day. You should write THREE sentences telling about your day. Sound out each word on your own and write what you hear. Put the date at the top of each entry.

Sight Vocabulary Practice:

Make flashcards for the following words. These words need to be read quickly (spelling is not needed)

a jump I in me not play red

and for blue help said run you

the down big is my yes get

away come find make funny we

go it look one see to up am

but have on she that so all be

Handwriting-

Practice writing your letters using the correct spacing. Uppercase letters should be two spaces tall and most of the lower case letters should be one space tall. They should touch the lines.

Math-

Practice counting to 50.

Write the numbers 1-20 (written 2 spaces tall touching the lines).
