I hope this finds each of you well and in good spirits..

As you know, Mrs. Catin-St. Louis has been promoted to Leadership Coach within the School District of Philadelphia. I am forever grateful for her leadership and dedication to the students, families and staff of Nebinger School. It is through her leadership Nebinger has reached new heights. As we move forward, looking for a new leader will be a daunting task, but together we will be able to find another awesome leader!

The information below outlines the process we will engage and the timeline.

I invite you to apply to assist with the selection of Principal for George W. Nebinger Elementary School, by serving as a member of the School-Based Principal Advisory Committee. As part of your duties you will:

- Read and review the applications of candidates to be interviewed
- Participate in the interview process
- Choose candidates for consideration to advance to the next level of interview by the Chief of Schools, Dr. Evelyn Nunez and Superintendent, Dr. William Hite.

The Site Selection Committee will be selected by the Assistant Superintendent and will be comprised of:

- No more than four (4) representatives of the entire staff (this includes support personnel)
- One (1) representative from the Home and School Association
- One (1) representative from School Advisory Council (SAC)
- One (1) representative from a business, community organization or university (if applicable)
