# OVERVIEW

Imagine graduating high school with a diploma AND a private pilot license that can be used immediately upon graduation! Imagine completing high school with a diploma AND 24 transferable college credits, or multiple industry certifications! This is what the School District of Philadelphia's Senior Year Only Program (S.Y.O.P.) is all about!

The Senior Year Only Program seeks to prepare high school seniors for both college AND career by connecting classroom learning with real-world applications in the workplace. Students enrolled in S.Y.O.P. spend up to five days on a college campus or several days a week at a training facility, learning real-world 21st-century technical skills and earning industry certifications. The Senior Year Only Program is a full school year commitment. Lunch and transportation are provided.

# BENEFITS

- Get a jumpstart on a college degree
- Get started on a lucrative career and earn industry certificates
- Choose from a variety of programs that both interest and challenge you
- Ease the transition to college academics and build confidence
- Explore college life and the opportunities it offers

# PROGRAMS

Temple Education Scholars (TES)		Comcast Internship Program (CIP)	
<b>PROGRAM DESCRIPTION</b>	The Temple Education Scholars dual enrollment program is designed for students to take Education courses at Temple University. Students participating in this cohort would engage deeply in coursework on the path to earning a Bachelor's degree at Temple from the College of Education. This program prepares students for the potential of future employment as an educator with the School District of Philadelphia. Students can take 5 college courses in the College of Education that count towards program requirements for majors in Early Childhood Education, Middle Grades Education, Secondary Education, and Human Development/Community Engagement.	The Comcast Internship Program is designed for students who have an interest and some experience in Information Technology and Electronics. Students have an opportunity to learn the fundamentals of cabling and networking through real world hands-on experiences coupled with courses through Comcast University. Mentors are assigned to students to guide them through learning experiences, not only teaching them technical skills, but reinforcing the customer service skills core to the Comcast brand. One of the greatest benefits for students who are successful in the program is a guaranteed interview with a hiring manager.

# FERPA and Consent Language: Advance at College

## Student and Parent/Guardian Consent:

Parent/Guardian supports Student's participation in Advance at College. Student and Parent/Guardian acknowledge that by participating in Advance at College, Student will be enrolled in college-level courses, which may contain adult themes and adult content. Student and Parent/Guardian understand that faculty will not change the content of a course based upon the enrollment of a high school student, and that Student will be expected to engage in college-level content, discussions and assignments.

Student and Parent/Guardian give Community College of Philadelphia (the College) permission to use photographic, video and/or digital images taken of Student, containing Student's name, voice or other sound effects, image or likeness, as well as quotes provided by Student at its sole discretion, in any of the publications, advertisements, promotional materials or audiovisual productions associated with marketing and/or student recruiting. Parent/Guardian and Student waive all rights they have or may obtain in the future in all such uses.

## Student Conduct:

Student agrees to good conduct, regular class attendance, participation in class and completion of homework assignments on time. (Student Code of Conduct: [www/myccp.online/student-code-conduct](http://www/myccp.online/student-code-conduct)).

## FERPA Disclosure and Consent:

The Family Educational Rights and Privacy Act is a federal law that protects the privacy of a student's education records. In compliance with FERPA, the College does not disclose personally identifiable information contained in education records except as authorized by law. Student and Parent/Guardian each understand that under FERPA, the College is able to disclose "directory" information, which includes Student's name, program of study, dates of attendance, and degrees, honors and awards received along with dates, without Parent/Guardian or Student's consent, unless Student notifies the Office of Student Records and Registration in writing that such disclosure is not permitted.

Parent/Guardian and Student understand that under FERPA, when a student attends a post-secondary institution such as the College, the rights under FERPA to access education records maintained by the College rest with Student and not Parent/Guardian, and the College is generally required to obtain Student's consent before releasing education records to any other individuals. However, in limited circumstances, including but not limited to those outlined below, the College may release Student's education records without Student's consent.

If Student is concurrently enrolled in high school, the College may disclose information contained in Student's education records, which will include, but is not limited to, information on attendance, participation, behavior, grades, test scores, and placement test scores, to his/her high school without Student's consent.

The College may also disclose Student's education records to Student's Parent/Guardian if at least one of the Student's Parents/Guardians claim Student as a dependent for federal tax purposes. Please indicate below whether a Parent/Guardian claims Student as a tax dependent by checking the appropriate box.

- Yes. Student certifies that a Parent/Guardian claims Student as a dependent for federal income tax purposes.
- No. Student certifies that a Parent/Guardian does not claim Student as a dependent for federal income tax purposes.
