

OPERATIONAL WALKTHROUGH OVERVIEW

Operational Walkthroughs for all Opportunity Network contract programs focused on the systems and structures that are required to deliver high quality instruction to students. Operational Walkthroughs assessed program performance across three domains: 1) Academic & School Climate Accountability; 2) Organizational Compliance; and 3) Accommodative & Financial Compliance. Taken together, the three domains encompass key operational expectations that are based on the program’s contract with The School District of Philadelphia, as well as applicable federal, state and local laws.

Operational Walkthroughs are one part of the School District’s three-part approach to the formal annual evaluation of all contracted Opportunity Network programs. In addition to Operational Walkthroughs, Instructional Walkthroughs and Alternative Education Progress Reports (AEPR) provide qualitative and quantitative data for program performance that inform decisions related to contract renewal, termination, and program expansion. This report summarizes the program’s performance for each of the three domains reviewed during the Operational Walkthrough. In addition, this report provides ratings for select contract requirements indicating whether the program met those requirements or standards based on evidence reviewed during the Operational Walkthrough.

A ✓ indicates that the program met the contract requirement. A ✗ indicates that the program did not meet the contract requirement. The basis for the rating is provided in the Additional Notes section for each standard.
