Dear Incoming 5th Grade Families,

We hope that you have a restful and safe summer filled with both family time and self-care. We look forward to beginning our work together in late August at the start of your student's 5th grade year. Similar to fourth grade, our fifth grade model is a departmentalized one. This means your child will have a homeroom teacher and will rotate throughout the day to three different classrooms for Literacy, Mathematics, and Writing/Social Studies. We have found this model prepares students for Middle School and beyond.

We work closely together as a 5th grade teaching team to ensure your child receives the support they need to have multiple teachers per day and coordinate 5th grade programming across all classes.

We are excited to meet you in fifth grade in September. It is going to be a productive, exciting, and awesome year!

Ms. Kurland, 5th Grade Literacy

Mr. Hibbard, 5th Grade Mathematics

Ms. McNamara, 5th Grade Social Studies/Writing

Now, for the supplies...

Though this list may seem repetitive, each classroom will house their own supplies.

This will assist your fifth grader with organization and efficiency.

PLEASE LABEL ALL ITEMS WITH A SHARPIE.
