Dear Parents and Seniors!

As the new school year begins, we are beginning to prepare our seniors for graduation! Below you will find a summary of the events and costs for each student. In order to make it easier for students and families to cover the cost of graduation activities, we are having students make monthly payments. By the last day of the month, beginning with September 30th, 2017, students will bring in their first payment of \$100.00. The total cost for senior dues is \$300.00. Final payment must be received by December 1st, 2017. These payments are needed for deposits and orders. Final payments made by November 17th will receive a reduction in price to \$275.00

**ITEMS INCLUDED IN DUES**

- Yearbook
- Class T-Shirt
- Senior Luncheon/Breakfast
- Graduation Venue
