

# 2017-2018 District-Wide Parent Survey Snapshot

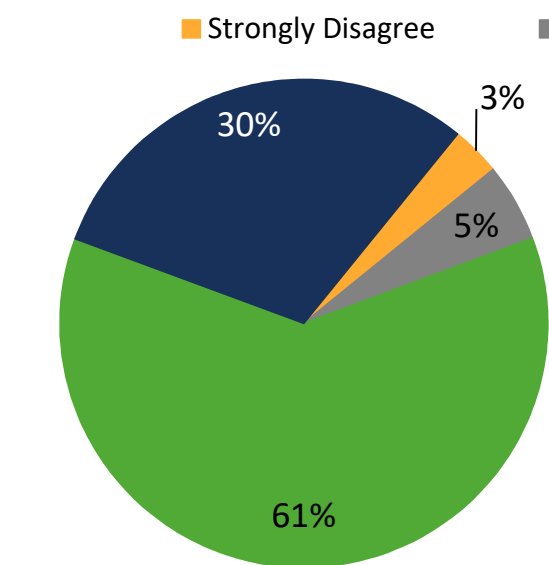

## Swenson Arts and Technology High School

Each spring, we ask parents and guardians to take a survey about their child's school. This report shows how parents and guardians from your school responded to some of the key questions.

In the spring of 2018, 212 parents and guardians at Swenson Arts and Technology High School completed the survey. That is 34% of all parents at this school.
