

To the parent/guardian of [STUDENTNAME1]
[ADDRESS_LINE_1]
[CITY], [STATE] [ZIP]

THANK YOU, FAMILIES. We know this year has been challenging, and we appreciate your taking the time to take the annual District-Wide Survey of Philly Public School Parents and Guardians.

If you haven't yet, please take ten minutes to speak up as your child's biggest champion.

Participation in the confidential survey is voluntary. School officials will not know who completed a survey or how you responded. Surveys must be completed online by Friday, May 14, 2021.

It's easy to get started:

Go to philasd.org/parentsurvey or point a smartphone camera at the QR code on the right.

Have your child's **student ID number** ready. It's printed at the bottom of this letter.

Keep in mind:

- All questions are optional. Only answer the questions that you want to.
- If your children attend more than one school, please complete a survey for each school.
- Survey results will be posted at philasd.org/dwsresults this summer.

Even with virtual learning in place, we still need to hear from families. That's because schools use survey results to:

- Design annual plans and secure funding for faculty, staff and materials.
- Address barriers to school attendance, including technology and computer-skills issues.
- Ramp up community resources and services that children and families need.

After you take the survey, you can enter our weekly raffle for a \$25 gift card. If you have questions about the survey, please visit philasd.org/dws, email schoolsurveys@philasd.org, or call 215-400-6565.

THANK YOU! Your children couldn't do their best without you. And neither could we.
