

THANK YOU, FAMILIES.

If you've already taken the annual District-Wide Survey of Philly Public School Parents and Guardians.

We appreciate it!

IF YOU HAVEN'T YET,

please take ten minutes to speak up as your child's biggest champion.

WHY TAKE THE SURVEY:

Even with virtual learning in place, we still need to hear from families because our children's education must continue. **Based on survey results, schools continue, among other things, to:**

- ✓ Design their annual plans and secure funding for faculty, staff and materials.
- ✓ Address challenges families face with school attendance, including technology and computer-skills issues.
- ✓ Ramp up community resources and services that children and families need.
