## **REMEMBER, IT IS IMPORTANT TO TELL YOUR EMPLOYER ABOUT YOUR INJURY**

This material is provided for informational purposes only and is not meant to be legal advice. Any person reading or otherwise using the information contained herein acknowledges that the information is provided as a service and is not authorizing any specific treatment or course of treatment. Further, use of any provider listed does not verify or confirm coverage under the Workers' Compensation Act and PMA is not responsible for any losses incurred as a result of any person relying on this information.

### **REQUIREMENTS FOR EMPLOYER'S LIST OF HEALTH CARE PROVIDERS**

1. There must be at least 6 health care providers on the list, but there may be more than 6 listed.
2. At least 3 of the health care providers on the list must be physicians.
3. No more than 4 of the health care providers on the list may be coordinated care organizations (CCOs).
4. The names, address, phone numbers and areas of medical specialties of all health care providers must be included on the list.
5. The health care providers on the list must be geographically accessible and must have specialties that are appropriate based on the anticipated work-related medical problems of the employees.
6. Your employer must specify on the list if any of the health care providers on the list are employed, owned or controlled by your employer or its workers' compensation insurance company.

**NOTE:** Your employer's list of health care providers must meet all of the above requirements. If the list does not meet all of these requirements, you do not have to choose a provider from the list. Instead, you have the right to seek medical treatment with any health care provider of your choice.
