### Teacher's Wish:

Please consider making a stable learning space for your child to work virtually so that they can be ready to work daily. This space should have a desk (small table) and comfortable chair in a space that can be free from TV noise and distractions as much as possible. Have all supplies available in this space so that they do not have to search for materials. Here are examples of workspaces to give you some ideas.

**Please Label all Supplies with your Child's Name**
