Mission & Approach to Learning:

At W.B. Saul High School, our mission is to promote student leadership that makes a difference in our world. Through diverse, hands-on opportunities rooted in an urban setting, Saul students apply their knowledge and skills to address modern environmental and agricultural challenges. To enhance post-secondary and career success, Saul students drive the future by learning to do, doing to learn and learning to serve.

Points of Pride:

- Largest agricultural high school in the nation
- Recognized and honored as one of the state's top Career/Technical schools by the PA Dept of Career and Technical Education
- Named 2019 & 2020 U.S News & World Report's Best High Schools in Pennsylvania
- Consistently strong Keystone passage rates
- Strong partnerships resulting in internships and job placement

Courses & Program Highlights:

- **Approved CTE Programs:**
(citywide access, based on space availability)
 - Animal Sciences
 - Food Sciences
 - Horticulture
 - Natural Resource Management

Students select a "major" from these four CTE Programs of Study. All four programs are academically based on principles of biology and chemistry and classes tend to be hands-on and active.

Each year, students also have opportunities to develop their skills via a number of large-scale co-curricular projects. These include designing and building a major exhibit for the Philadelphia Flower Show, showing animals at the Pennsylvania Farm Show and coordination of schoolwide seasonal events: Harvest on Henry (fall festival) and Country Fair Day (celebration of spring).

Advanced Placement Courses:

- English Language
- English Literature
- Environmental Science
- US Government & Politics

Partnerships:

- Artist Year
- Delaware Valley College
- Fairmount Park Commission
- Food Moxie
- Friends of the Wissahickon
- Minorities in Agriculture Natural Resources and Related Sciences (MANRRS)
- Morris Arboretum
- Outward Bound
- Pennsylvania FFA
- Pennsylvania Horticultural Society
- Pennsylvania State University
- The Philadelphia Phillies
- Philadelphia Society for the Promotion of Agriculture (PSPA)
- Philadelphia Water Department
- The Philadelphia Zoo
- The University of Pennsylvania
- Weaver's Way Community Programs
- WorkReady Philadelphia

Extracurricular Activities:

- After-school career development clubs allow students to deepen their knowledge in numerous areas of the natural sciences
- FFA provides leadership opportunities locally and throughout the state
- Multimedia, Dance, Chess, Eco-Sculpture, and Poetry clubs provide creative and academic outlets
- National Honor Society recognizes exceptional achievement
