

Ready to Work?

CHOOSE WORKREADY!

If you are 12-24 years old and looking for a summer work experience, check out WorkReady. It's a program in July-August for youth living in Philadelphia. This summer, WorkReady experiences will include safe in-person participation at least 3 days a week.

WorkReady experiences are paid!

All participants receive compensation via wages or incentives depending on the program.

HOW TO GET STARTED

1 Apply for WorkReady at workready.org. You will receive instructions by email after you apply. Keep your application password handy!

2 Like any job, WorkReady requires paperwork. Make sure you have vital documents ready in case you are selected. For example, you may be asked for:

- Social Security Card
- Valid ID Card
- Birth Certificate
- Work Permit

3 Check your email for an invitation to upload your paperwork to your online application using a computer or mobile device. Not every applicant who completes Step 1 will be selected for WorkReady.

Once you've completed these steps, your WorkReady program partner will email you with details about starting your program.

The documents you need will vary by your age and your experience. For more info, visit workready.org

You've been invited to apply!
