

The School District of  
Philadelphia  
2015-2016 District-wide surveys

*for parents, students, teachers and principals*

# Research Base for School Improvement Using Surveys

## Relational trust across a school community

Student factors

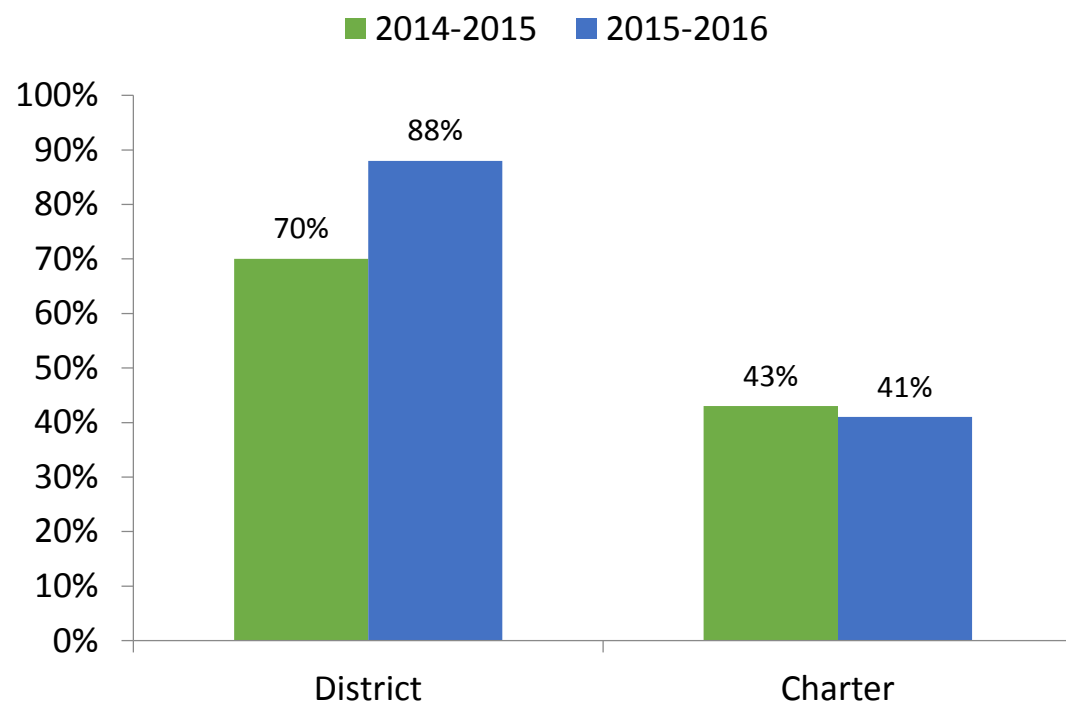

Leadership as  
the driver for  
change

<b>Parent- community ties</b>	<b>Student centered learning climate</b>
<b>Professional capacity</b>	<b>Instructional guidance</b>

Student outcomes:  
–Enhanced  
engagement  
–Enhanced learning

Local school context

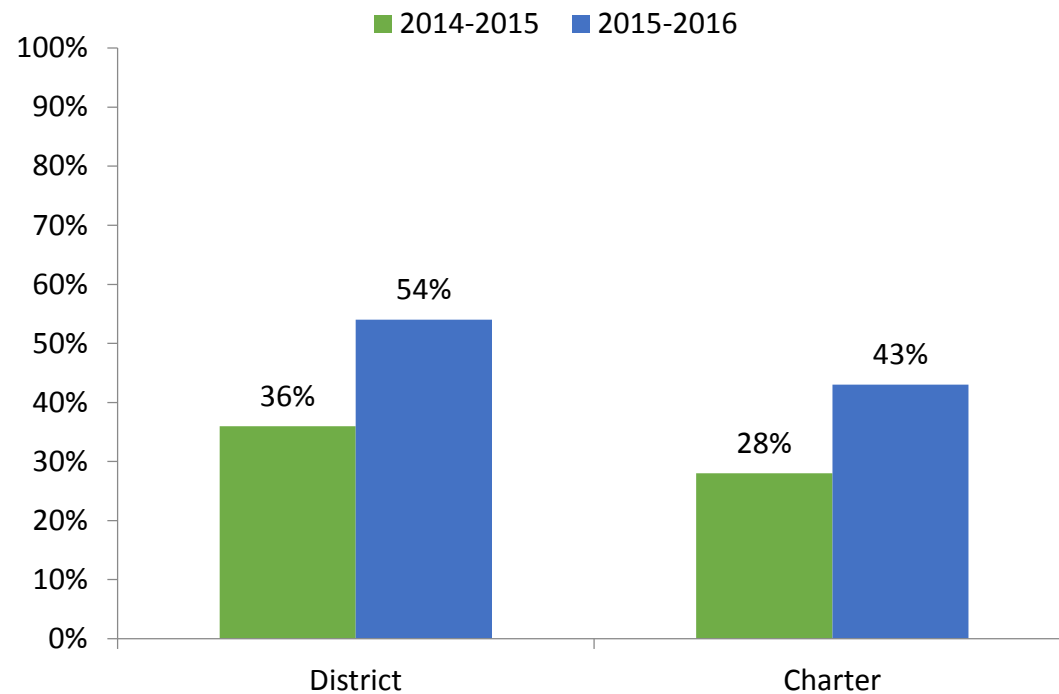

# Principal Responses by Governance

	Governance	Responses <sup>1</sup>
2014 -2015	District	156 (70%)
	Charter	29 (43%)
	Total	185
2015-2016	District	198 (88%)
	Charter	43 (41%)
	Total	241

<sup>1</sup>Principal response percentages are based on District principal of record as of April of the respective school year and all principal emails provided by Charter schools during the survey administration period.

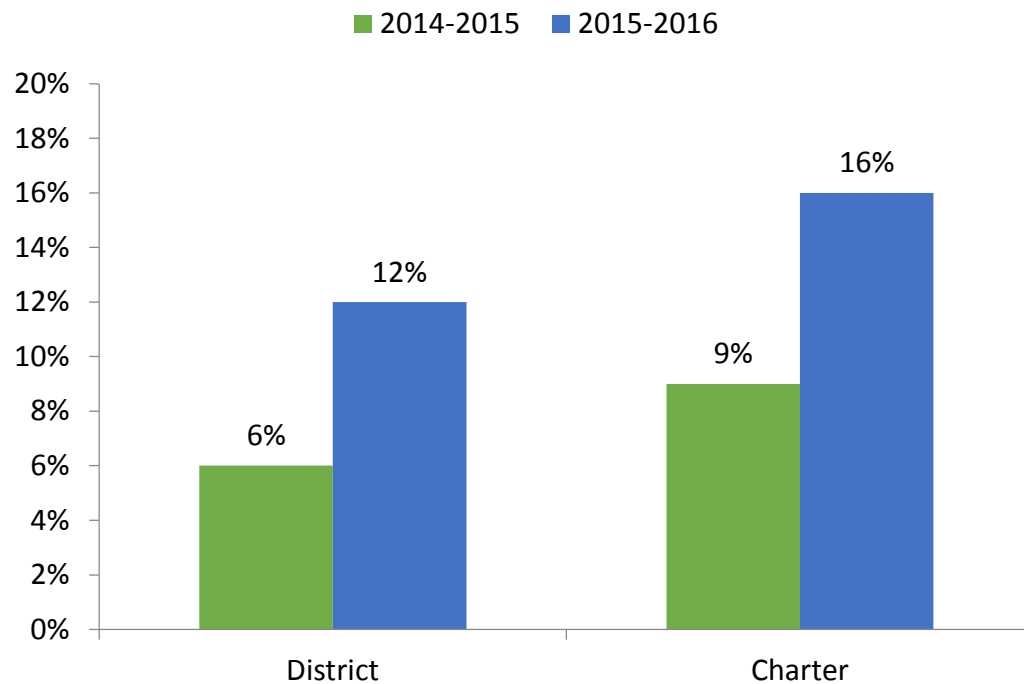

# Student Responses by Governance

	Governance	Responses <sup>1</sup>
2014 -2015	District	33,401 (36%)
	Charter	13,291 (28%)
	Total	46,695
2015-2016	District	52,164 (54%)
	Charter	21,023 (43%)
	Total	73,187

<sup>1</sup>Student response percentages are based on student enrollment records as of May 31, 2016.

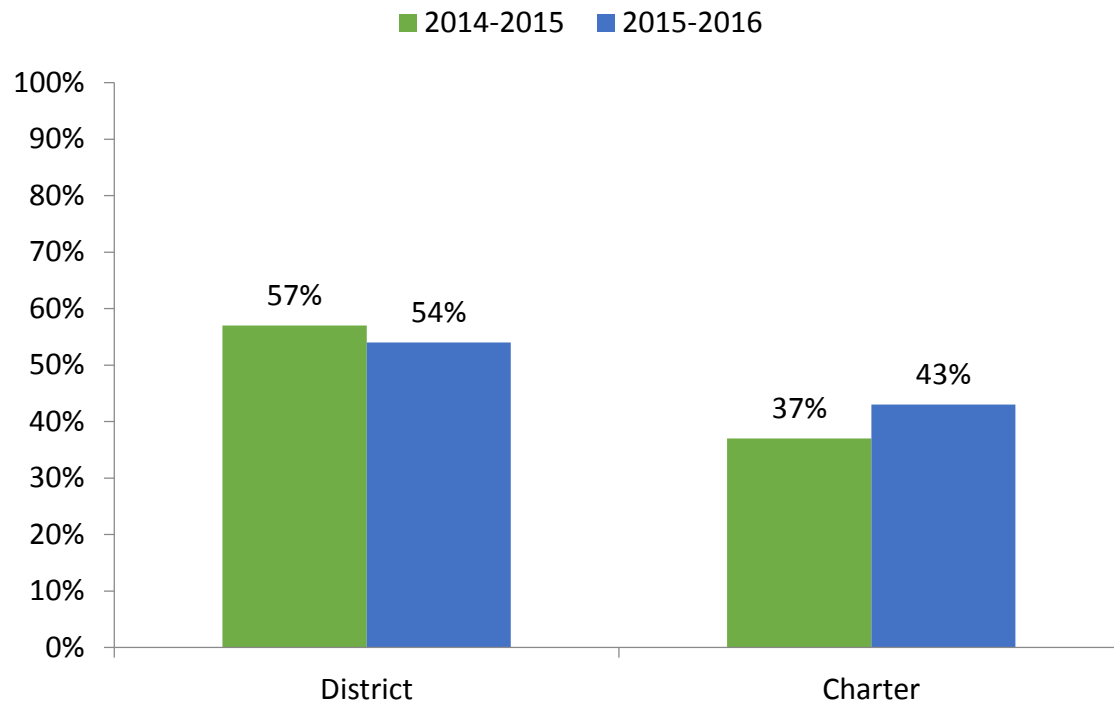

# Parent/Guardian Responses by Governance

	Governance	Responses <sup>1</sup>
2014 -2015	District	7,784 (6%)
	Charter	5,572 (9%)
	Total	13,360
2015-2016	District	15,932 (12%)
	Charter	9,979 (16%)
	Total	25,911

<sup>1</sup>Parent/Guardian response percentages are based on student enrollment records as of May 31, 2016.

# Teacher Responses by Governance

	Governance	Responses <sup>1</sup>
2014 -2015	District	4,715 (57%)
	Charter	708 (37%)
	Total	5423
2015-2016	District	4,417 (54%)
	Charter	1,271 (43%)
	Total	5,688

<sup>1</sup>Teacher response percentages are based on District teachers of record as of April of the respective school year and all teacher emails provided by Charter schools during the survey administration period.

# Responses by Learning Network

	Principals	Students	Teachers	Parents
Network 1	78% (14)	64% (4,448)	58% (401)	16% (1,733)
Network 2	91% (20)	70% (4,959)	59% (375)	10% (996)
Network 3	88% (21)	49% (3,385)	51% (335)	14% (1,353)
Network 4	85% (17)	44% (3,064)	46% (335)	10% (1,098)
Network 5	100% (16)	70% (4,194)	79% (484)	15% (1,416)
Network 6	91% (20)	53% (3,354)	58% (364)	11% (1,080)
Network 7	94% (16)	69% (4,947)	64% (436)	23% (2,537)
Network 8	84% (16)	50% (7,196)	44% (472)	10% (1,908)
Network 9	72% (13)	44% (4,233)	43% (339)	8% (1,096)
Autonomy	100% (24)	60% (8,514)	64% (491)	12% (1,680)
Innovation	100% (7)	48% (1,027)	52% (47)	13% (278)
Opportunity	80% (4)	6% (213)	57% (34)	-- (9)
Turnaround	83% (10)	48% (2,630)	52% (251)	11% (748)

# How to use the information

- Foster a feedback culture
- Celebrate improvements
- Identify priorities and reflect on current approaches
- Spark conversations
- Use for advocacy and engagement
- Direct resources and partners

District-Wide Surveys

# CREATING GREAT SCHOOLS

NEW! 2015-2016 Data Available

## ABOUT *the* DISTRICT-WIDE SURVEYS

The results available on this site are from surveys designed to capture feedback from The School District of Philadelphia community on five key topics related to school improvement. Because this feedback provides a more complete picture of Philadelphia schools than relying solely on traditional measures of school success, it can help identify what is working well along with areas that need to be improved.
