Student Growth and Achievement

Superintendent uses multiple data sources to assess student success and growth as appropriate, specific to needs within the district and as determined annually in collaboration with the SRC. Annual or other district performance objectives are articulated and clearly achieved under the direction of the superintendent relative to clearly articulated measures.

Systems Leadership

Superintendent has worked collaboratively with the SRC to develop a vision for the district, displays an ability to identify and rectify problems affecting the district, works collaboratively with district administration to ensure best practices for instruction, supervision, curriculum development, and management are being utilized, and works to influence the climate and culture of the district.

District Operations and Financial Management

Superintendent manages effectively, ensuring completion of activities associated with the annual budget; overseeing distribution of resources in support of district priorities; and directing overall operational activities within the district.
Communication and Community Relations

Superintendent communicates with and effectively engages the staff, the SRC, and members of the community, clearly articulating district goals and priorities, addressing local and broader issues affecting the district, and building support for district initiatives, programs and short/long-range plans.

Statement from the School Reform Commission:

The results of Dr. Hite’s steady leadership are evident across the School District of Philadelphia. These include another year of a balanced budget, sustained investments in classrooms, a contract with the Philadelphia Federation of Teachers and, most importantly, the increased academic achievement of our students. While there is still much to be done, we would like to thank Dr. Hite for providing Philadelphia with the strong and consistent leadership critical to moving us forward.
