### **FY15 Budget Presentation**

June 30, 2014

### **Overview**

- Revenue Update
- Making Up the Difference
- Risks to the Budget
- Next Steps

#### The District needs \$440 million.

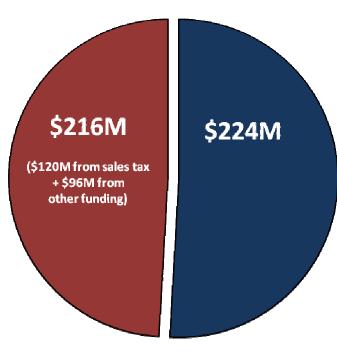

Survival gap:

**Getting to current levels, bare essentials** 

**Quality gap: Getting to better opportunities** 

Schools will have similar services to this year, including:

- Shared guidance counselors
- Shared nurses
- Minimum number of teachers
- Minimal number of school police
- Reduced number of assistant principals
- Minimal cleaning and facilities staff
- Substantially reduced school budgets for books and supplies

- Guidance counselors in every school

- More nurses

- More reading and math teachers

- Advanced placement courses

- More Career and Technical Education programs

- Updated textbooks

- Cleaner schools

- Safer schools

- Credit recovery programs

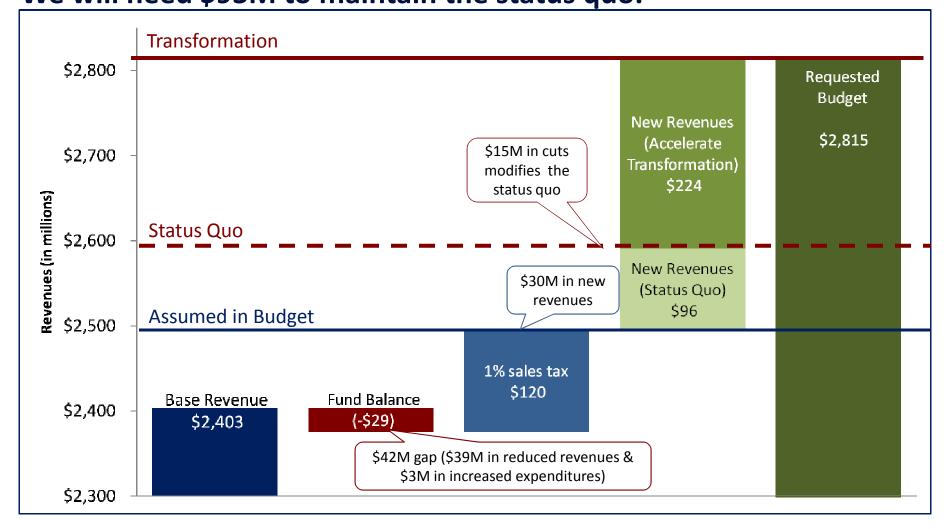

- Improved school climates

- Increased Pre-K seats

 More teachers to help struggling students
 Art classes

Since May 29, 2014, we have received \$30M in new revenues and cut expenditures by \$15M; however, there is a new \$42 million gap. We will need \$93M to maintain the status quo.

# An additional \$30M in one time revenues have been added to the budget

| Area   | Amount |
|--|--------|
| \$30M City borrowing from Sales Tax proceeds | \$30M  |
| TOTAL  | \$30M  |

### **Initial Budget Reductions**

| Area                                     | Savings (\$) | Description   |
|--|--------------|---|
| Debt Service                             | \$6.2M       | Payment of 1/2 year Principal and Interest on new bond issuance.                                |
| Special Education                        | \$5.5M       | Management review of identified savings through more efficient allocation of resources.         |
| Administration                           | \$1.8 M      | Approval of Unrestricted Indirect Cost Rate   |
| Operations                               | \$0.8M       | Uniform walking distance policy for Renaissance Charters and reduction in the Facilities budget |
| Tax and Revenue Anticipation Bond (TRAN) | \$0.7M       | Lower than anticipated interest rates   |
| TOTAL                                    | \$15M        |   |

#### \$42M Gap Consists of:

| Area                                 | Amount |
|--------------------------------------|--------|
| Ready to Learn Flexibility (State)   | \$29 M |
| Pension Savings (State)              | \$10 M |
| Charter Enrollment & Benefit Changes | \$3 M  |
| TOTAL EXPOSURE                       | \$42M  |

## The District requested \$440M in new, recurring revenues; \$93M is still needed to maintain the status quo.
