- H. Board Members shall not accept an honorarium relating to their roles as Board Members. This means receiving payment when invited to appear and talk about subjects related to their work because of their identities as Board Members, or payment for other services that appear unrelated to Board service but are out of proportion to the market value of such services. [2]
- I. Board Members, their immediate family members, and businesses with which they or their immediate family members are associated shall not enter into any contract valued at \$1,000 or more with the District or any subcontract valued at \$1,000 or more with any person awarded a contract with the District, unless the contract has been awarded through an open and public process, including prior public notice and subsequent public disclosure of all proposals considered and contracts awarded. In such case, the Board Member shall not have any supervisory or overall responsibility for the implementation or administration of the contract. [2]
- J. Board Members shall not solicit or accept anything of monetary value, including a gift, loan, political contribution, reward or promise of future employment, based on any understanding of the Board Member that the vote, official action or judgment of the Board Member would be influenced thereby. [2]
- K. Board Members shall not solicit, request from, suggest to, or recommend to any contractor, subcontractor, or consultant actively bidding or soliciting for a contract with the School District the appointment or employment of any individual in any capacity by the contractor, subcontractor or consultant. Unless with the prior disclosure to and consultation with the General Counsel, Board Members shall not solicit, request from, suggest to, or recommend to any current Board contractor, subcontractor, or consultant the appointment or employment of any individual in any capacity by the contractor, subcontractor, or consultant. The requirements in this subsection survive until one year after completion of a Board Member's service on the Board.

[2]
- R. The Board values the diverse backgrounds and experiences of its Board Members and the benefit of diversity of thought and approach its Board Members bring to governance of the District and engagement with the community. The Board recognizes that a Board Member's experience is an asset to the Board and may be a reason that Board Member was nominated and appointed to the Board, and that such experience may be a direct result of or related to a Board Member's professional background and livelihood. The Board believes candidates should not be dissuaded from considering service on the Board. Accordingly, Board Members who have been associated with a business that is doing business with the District or with District students, families, or staff at the time of their appointment to the Board must disclose the nature of the business association to the Board, and unless**

by majority vote the Board disapproves, may continue with such business association so long as the Board Member remains compliant with the Ethics Act **and other applicable laws, as well as Paragraph I above** and other provisions of this Code.

- S. Board Members shall not themselves, nor permit any business with which they are associated to, trade on status as a Board Member or a connection to the Board. - T. Board Members shall be bound by the following rules concerning gifts:
- a. Board Members shall not solicit or accept a gift of any value from any person or entity that does business with the District **or seeks to do business with the District**. Board Members shall not solicit or accept a gift whose value exceeds \$100 from any other person or entity without disclosure to and written permission of the General Counsel, unless an exception in paragraph (d) below applies. Board Members may refer a person offering a gift to Policy 702, “Gifts, Grants, and Donations.”
 - b. Board Members shall not accept or receive a gift of any value if they believe that the gift is being made to influence their votes, official actions, or judgments relating to any matter that is or is likely to come before the Board.
 - c. Board Members shall not accept gifts through another person on the same terms as if the gift had been made directly to a Board Member.
 - d. Unless as otherwise prohibited by the Ethics Act, the prohibitions and approval requirements set forth in this section concerning gifts shall not apply to:
 1. Gifts from immediate family members, or other close relatives, friends, or business associates when the circumstances (ex., birthday, engagement, marriage, birth of a child, retirement) **and size of the gift** make clear that the motivation for the gift is based on a purely personal or family relationship and not intended to influence the Board Member’s vote or official action. For the purposes of this paragraph, the terms “friend” or “business associate” shall not include a registered lobbyist or an employee of a registered lobbyist.
 2. A plaque or memento of a de minimis economic impact offered as a token of esteem or appreciation on the occasion of a public appearance, speech, or the like attended by Board Members in their

official capacity as Board Members. This paragraph does not include an honorarium.

3. Gifts resulting solely from the Board Members' membership in a bona fide charitable, professional, educational, labor, or trade organization when generally made available to the same class of members of such entities and not intended to influence the Board Member's vote or official action as a **Board** Member.

A Board Member must first resign from the Board before seeking or accepting any such position. Notwithstanding the foregoing, a Board Member who held a position that would otherwise be precluded under this provision at the time they became a **Board** Member may complete their term so long as doing so is permissible under the Ethics Act and the Public School Code, but, with the exception of Board Members appointed prior to the date of adoption of this ~~policy~~ **Code**, may not seek, accept, or hold a subsequent term or office while a Board Member. **This exemption for Board Members appointed prior to the date of adoption of this policy Code does not exempt the Board Member from complying with any other provisions of this Code.**
- W. Board Members may not use their Board position, authority, influence, title or status for any political purpose, including requesting or suggesting that another Board Member or District employee participate in political activity.
- X. Board Members may not be involved in any manner in the collection, receipt, or solicitation of contributions or anything of value intended for a political purpose.
