Hello Families,

The School District of Philadelphia is reopening the Learning Model Selection Process! PreK-2 families who initially chose the 100% digital option can now transition to a mix of in-person and digital remote learning for students (Hybrid Learning). If you choose Hybrid Learning, your child will attend school in person two days per week and engage in digital learning three days each week, based on an assigned schedule, beginning the week of Monday, April 5, 2021.

**The selection period begins on Tuesday, March 16<sup>th</sup> and ends on Tuesday, March 23<sup>rd</sup>.** You can make your selection in one of two ways:

- **By Electronic Form** - complete and submit the link below for your PreK-2 student. If you have more than one child in PreK through second grade, you will need to submit a separate form for each child. Use the below link to complete the survey.

- **By Phone** - call us at 215-400-8280 to inform us of your selection. The school is open for phone calls between 8:30 am - 2:30 pm.

If you don't make a selection by March 23<sup>rd</sup>, your child will remain 100% digital. Families selecting Hybrid Learning will be contacted between March 24-26, 2021 regarding next steps. As always, families that choose Hybrid Learning can return to 100% digital learning at any time.

*Every effort will be made to include all Southwark PreK-2 students who opt into hybrid during this second phase. However, if Southwark classrooms have limited capacity based on social distancing protocols, students will be accepted on a first-come basis.*

Whatever learning model you choose, we look forward to continuing to support your child's educational needs.
