ORDER ANY (2) PACKAGES and take \$20 off your order!! This is a great deal!

Portrait packages are NOT part of your senior dues.

Portrait packages cannot be split up with multiple images. One image is made into one package. If you want to order multiple images you must order them in additional packages.

Extra Prints can only be added to a portrait package at the time that the package is ordered.

Order by the image number labeled on your digital proof. Digital proofs are only sent to student emails.

Mr. Hertzberg takes all orders in room 403 during the day. Orders must be paid for with Cash or Money Order made out to the school. Checks are not accepted.

Orders are taken at any time – but the order is not submitted until the last day of the month and ready for pick up the next week. Pick up is in room 403 – 5 days after the end of the last month. Packages can be ordered October through May. After May any orders are fulfilled outside of the school and have shipping charges. It is less expensive and faster to order during the school year.

Portrait packages are NOT refundable. All images are retouched to clear up your skin and fix minor problems. Digital proofs do not show the retouching. Retouching is only applied to the images that you order.
