Presents

Motivational Interviewing From a Biblical Perspective

Led by Executive Director John Carlson, MBA CRS

Motivational Interviewing is an evidence-based, client-centered counseling style that helps clients explore and resolve ambivalence.

Motivational interviewing focuses the client on a new purpose by helping them discover their identity as a new creation in Christ.

Sobriety is a natural benefit of this process.

March 10, 2021; 4:30 – 6:00 pm

A donation of \$15 is requested to support the ongoing mission of TTR.
