### Thank you for your interest in completing a School Partner Agreement

The School Partner Agreement is intended for student-focused programs that a) are offered at no cost to the District or schools, b) that operate with approval/support from schools, and c) can provide a valid certificate of insurance and background clearances.

If your program qualifies as a partner program, but you do not yet have connections to schools or approval to operate, please visit the New Partners page on the Office of Strategic Partnerships website:

If you have any questions, please contact [partnerships@philasd.org](mailto:partnerships@philasd.org)

Thank you,
