## As Easy as 1, 2, 3

Refer

### Step 3

#### Call Patient with Results

1. ImPACT Interpretation Report read by an ImPACT Certified Physician arrives by fax the next day.
2. Discuss the results of the report with the patient.
3. If indicated, the report provides instructions for brain rest, school/sports/work recommendations, and referral information to a local ImPACT certified center.
4. Extend school/sports/work note.

### Step 2

#### ImPACT Testing

1. Return next day, well rested, to ImPACT testing center.
2. If testing on site, have consent signed.
3. Provide school, sports or work note.

### Step 1

#### Screen with (VOMS) Vestibular Exam

1. Convergence
2. SACCADES
3. VOR

If Screen Is Positive Go To

## Injury

Suspect Concussion
