

PSSA Conversion Chart for 2018-2019 School Selection

The information listed below should be used by those students who are applying for admission to schools requiring students to meet academic criteria. Specifically, these schools list a minimal PSSA Local Norm Percentile in which students must meet or exceed in order to be considered for, or gain admission. Each percentile, in the left hand column, correlates with the English Language Arts (ELA) and Math PSSA score during the 2018 testing year.
