Mission & Approach to Learning:

John Bartram High School is a neighborhood school located in Southwest Philadelphia, with approximately 600 students in attendance. JBHS is a secure learning environment. As of the 2009–2010 school year, we were removed from the PA List of Persistently Dangerous Schools, a testament to the hard work of staff, parents, and students towards building a positive learning environment amidst the challenges typically associated with operating in a low SES environment. We take pride in the achievements of our students and the opportunities available to them.
