## Mission & Approach to Learning:

### *Continuous, Relative, and Adaptive.*

The School of the Future, in partnership with the community and families, strives to ignite in learners a passion for learning that inspires a commitment to active citizenship by using technological innovation and engaging pedagogy.

**Learning is Continuous:** Learners are able to learn anytime and anywhere.

**Learning is Relevant:** Learners identify and solve problems that matter now.

**Learning is Adaptive:** Learners manage their own learning.

## Points of Pride:

- 100% college acceptance rate
- Digital music studios
- Each graduating class has consistently won over \$500,000 in scholarships and grants with the class of 2016 awarded over \$600,000
- Extensive opportunities in the arts
- First “Farm-to-School” site in the District, using local fruit and produce to prepare fresh breakfast and lunch
- Full athletic offerings
- Interactive Learning Center
- Little Kids Rock
- Yamaha Partnership
- *and many more.*
