Mission & Approach to Learning:

Parkway West is a small special admission college prep high school. Our mission is to ensure that all students reach their personal and academic potential, and become productive citizens and lifelong learners. In partnership with Philadelphia Academies, Inc., Parkway offers an Early Childhood Education CTE program whose mission is to address the need for qualified teachers in the city's schools. The program is designed to introduce students to careers in the field of education, while emphasizing the use of technology and preparing them for entrance into college.
