Mission & Approach to Learning:

The Mission of the Randolph Career Academy is to provide a safe, supportive learning environment in which educational programs, resources, and experiences will enable students to become confident, responsible, and productive citizens. We strive to develop high levels of competence in academic skills; a reciprocal appreciation of human values, attitudes, and cultures; a fostering of independent thinking; an appreciation of individual differences; and an improvement of our technology utilization for the 21st Century.

Points of Pride:

- Success in industry certifications
- Industry work experience
- Industry occupational advisory boards
- Randolph not only offers career and technical education but also has strong academic programs providing students with a full range of diversity
- Many of our students attend college and 95% of seniors are accepted into colleges
- We have a dual enrollment programs with Esperanza College and CCP
- 85% of our students receive their certification in their CTE programs
- We currently have the youngest fire fighter ever to complete the program at the Philadelphia Fire Department
- All the programs use state of the art equipment and the students are instructed utilizing 21st century skills
- The construction trades program was awarded the Lowes grant for 2015-2016
- University of PA School of Dental Medicine: Radiology and Lab Procedures Courses written specifically for qualified Randolph Dental Assisting Program seniors and juniors respectively
