Mission & Approach to Learning:

Mission: At William L. Sayre High School excellence is the expectation for academic and leadership development measured through scholarship, leadership and collaboration fueled by the core values of faith, family, honesty/integrity, perseverance and respect.

Vision: William L. Sayre High School provides a platform for students to attain the skills needed to be successful in their college and career choices

Points of Pride:

Sayre is equipped science labs, updated computer labs, Chromebooks for individual student use and this year will begin a new Health Sciences Program. Sayre has a 9th Grade Academy model for students transitioning into high school. Sayre also offers traditional extra-curricular programs that enhance our curriculum, and showcase our students' abilities. We continue to strive for excellence by offering after school tutoring and career mentors through our University of Pennsylvania Netter Center. Our AUNI Urban Nutrition Initiative Program offers students onsite experiences. We offer College Access and Career Readiness activities through Promise Corp. and support students through our TOPS (Teen Outreach) program. We also pride ourselves in our Pipeline Program, which offers student an opportunity to earn college credit while also attending Sayre High School. Many of our students participate in our Out-of-School-Time (OST) After-School Program.
