Mission & Approach to Learning:

The LINC exists to prepare all students to be critical thinkers, effective communicators, and engaged citizens of their community and the world. The vision of the LINC is that every student graduates and is ready for the world that awaits them.

The LINC is a project-based and problem-based learning school. We are also the first school in Pennsylvania to be a part of the New Tech Network! (www.newtechnetwork.org).

Students learn how to work in groups, collaborate, create, and present projects in every subject.

Each student will have a Chrome book in each classroom to use throughout the school day.

We also have a daily 30-minute seminar class to build a “school family” culture and to develop stronger relationships between advisors and students.

Motto: Live, Love, & Learn @ The LINC

Core Values:

LIVE: We are engaged citizens who take action to make a difference in our world.

LOVE: We each help to build a caring, supportive community through our words, attitudes, and actions.

LEARN: We believe learning makes us powerful and prepares us for the world.

Points of Pride:

- One of two schools in PA in the New Tech Network
- Dedicated advisors
- Counseling supports
- Interdisciplinary projects
- Cultural enrichment opportunities
- College Tours
- Technology
- After school clubs
- Digital media literacy
- Strong relationships between faculty, students, and parents
- Student Voice
- Town Halls
- Recording studio
- Annual Groovy Movie Premiere

Courses & Program Highlights:

- As part of our project-based instructional model, The LINC has been developing community partnerships to strengthen our school program. Our faculty and staff work with outside agencies to incorporate real-world experiences for our students.
- All students engage in the following courses: Science, Math, Digital Media, English, Art, Social Studies, Anatomy and Physiology, PSTV field experiences, and other internship opportunities
- Our Learning Outcomes include Knowledge & Thinking, Oral Communication, Written Communication, Collaboration, and Agency

Partnerships:

Current and past school partners include:
