

## **School District of Philadelphia: Enrollment Guidelines**

### **Overview:**

When a pupil applies for admission to any school, it becomes the responsibility of the school to complete enrollment if he/she resides within the boundary lines, or immediately secure accurate information as to where the pupil should apply.

Resident students have a legal right to attend until age 21, unless they have completed a program through graduation or have been validly expelled. Accordingly, such students who wish to return to school must be permitted to enroll or re-enroll in regular daytime classes.

### **Procedures:**

Effective immediately the following procedure superseded all previous procedures and practices regarding the enrollment process of students into School District of Philadelphia school programs.

A child should be permitted to attend school on the next school day after the day on which the child is presented for enrollment, and in all cases within five (5) business days of the school district's receipt of the required documentation. [22 Pa. Code §11.11\(b\)](#).

### **Requested Information:**

As a part of the District's efforts to maintain a safe environment for students, schools may request the following:

- A copy of the parent/guardian's picture identification can be requested **but is not required** for registration. Once provided, a copy of the photo ID will be kept on file for the purposes of verifying the identification of persons who are authorized to escort the child to and from the school.
- In addition, the school **may ask** for health or physical examination records, academic records, attendance records, Individualized Education Program, and other special education records so that the student can be placed in the appropriate grade level/classroom with the appropriate level of support.

Please note: Although schools may ask for any of this information, they may not require it as a condition of enrolling or admitting a child and they may not delay a child's enrollment or attendance until these documents are provided. The school may follow up with the parent/guardian for this information after the child has been enrolled in the school.
