

ADMINISTRATIVE PROCEDURES FOR ATTENDANCE & TRUANCY

I. Purpose:

To provide procedures and general guidelines for the attendance and truancy process for the School District of Philadelphia.

II. Responsibility:

Attendance and Truancy, under the supervision of the Office of Student Rights and Responsibility, is responsible for reviewing and submitting truancy referrals for students with 10 or more unexcused absences to Philadelphia Family Court for interventions and services. The interventions and services are designed to help alleviate barriers to truancy.

III. Criteria:

The Pennsylvania School Compulsory Law requires students from the ages of 8-17 to attend school on a daily basis. The Philadelphia School District is designated as a district of the first class, and as such, the requirement for compulsory school attendance is between the ages of 6-17. Once a student is enrolled in school, this includes children in kindergarten; they are subject to compulsory school laws until the student reaches age 17. The student can only be withdrawn if he/she transfers out of the District. The student will remain on the District's roll and the child/family is subjected to truancy court if they do not attend school.

Student Attendance Improvement Plan (SAIP) - As required by state law, a conference is to be held, parent/guardian invited to the conference, and a SAIP created. The SAIP conference is a meeting for families and school staff to come together, identify barriers, and develop meaningful strategies/interventions to address the identified issues, and support the student in regular school attendance. At the end of the conference, the school must create the Student Attendance Improvement Plan (SAIP) in SIS (Infinite Campus).

IV. District's Truancy Process:

School Process:

- Parents **must submit** an absence note to the school **within three (3) days** upon the child's return to school from an absence. The school Principal/Designee will make a determination if the note will be accepted. If the note has been accepted, it should be submitted to the main office, and the absence must be changed in the SIS (Student Information System) to an excused absence using the appropriate code.
- At the 3rd unexcused absence, the Third Day Illegal Notice (C-31) should be sent to the parent/guardian notifying that the child has missed three (3) unexcused days (consecutive/non-consecutive) of school. This document can be generated and printed in the SIS for all district schools. Please document that the Illegal Notice has been sent out via the Contact Log in SIS, under "contact" with the prefix ATT, prior to writing the note.
- A SAIP Conference should be held by the 6th unexcused absence to address the student's absences and reasons for the truancy. The purpose of the conference is to identify barriers to attendance and develop meaningful strategies to address the

identified issues and support the student. The Student Attendance Improvement Plan should be completed at the conference. The school must invite the parent/guardian to the conference. A copy of the SAIP will be provided to the student, parent/guardian and any other entity identified who can support the student with this plan.

- At the 10th unexcused absence, the truancy referral should be submitted to the Office of Attendance & Truancy. All referrals will be checked for quality and accuracy. A completed SAIP consists of: contact log, identification of barriers, implementation of interventions that address the identified barriers, and progress monitoring. **The Student Attendance Improvement Plan will serve as the truancy referral and will be required for ALL cases going to truancy court.** For special education students, their IEPs must be up to date and IEPs revisited prior to sending a truancy referral.
- Once the SAIP/Truancy Referral has been submitted to the Office of Attendance & Truancy AND cleared and submitted to Family Court they will schedule the hearing and send the student/family to a citation for Truancy Court. Schools can also check the truancy court tab in the SIS (Student Information System), once a student has a court date, to view dispositions and status updates. SAIPs can be submitted at any time. All SAIP/Truancy Referrals must be submitted via email at truancyreferrals@philasd.org. (Please see “Submitting a Truancy Referral,” P.3 for instructions).

Who is invited to attend the Student Attendance Improvement Conference?

- The Attendance Designee should take the leadership role along with the Case Manager. Because of the broad, community-based needs to attendance concerns, school counselors are in a unique position to lead with the plan development and implementation oversight.
- The Intervention Provider, is the person that will be providing the intervention/s for the student.
- The student and the guardian.
- Other people whom the guardian may believe can be helpful resource (like a grandparent, sibling, family friend, advocate, community member, etc.).
- Appropriate school personnel. This should include members of the child’s IEP or 504 Team members, if the child is a student with a disability or has a written accommodation.
- Recommended service providers (like case managers, behavioral health providers, probation officers, children and youth practitioners, etc.).

The guardian is encouraged to attend the meeting to address the needs of the student. However, if the parent/guardian is not in attendance, the school will still conduct the meeting in their absence. Please be aware that all efforts to invite parents must be documented. The conference itself must be documented on the Student Attendance Improvement Plan.

V. Submitting an SAIP (Student Attendance Improvement Plan):

The SAIPs are also used as the truancy referral. Schools are required to submit SAIP to the Office of Attendance and Truancy. There is no due date for SAIP's, they can be submitted at any time of the month. All SAIP'S must be submitted via email at truancyreferrals@philasd.org; one attachment per student, labeled with their full name, and consisting of one completed SAIP/referral and contact log. In the email subject line, place the name of the school and attach all individual SAIP/Truancy Referrals. No faxes or hand-delivered referrals will be accepted.

A completed SAIP consists of: contact log, identification of barriers, implementation of interventions that address the identified barriers, team members, and progress monitoring.

The Attendance Designee and/or the SAIP Team Members, must review and ensure that every student referred to regional truancy court, has been offered evidence based interventions listed in SIS, and implemented with fidelity. These efforts to eliminate truancy must include all appropriate internal district staff and external partners, including but not limited to Department of Human Services (DHS), Community Umbrella Agencies (CUA), Nurse, Climate Manager, etc. This should also include members of the child's IEP or 504 Team members (i.e., Special Education Director and/or Special Education Compliance Monitor), if the child is a student with a disability or has a written accommodation.

The family will receive a subpoena/citation from Philadelphia Family Court to appear in truancy court. The subpoena will have the date, time and location of where the family should appear. In addition, a DHS contracted truancy provider will make contact with the family to arrange a meeting. The meeting is to extend services to help alleviate the identified barrier(s) that are contributing to the truancy. The provider will work with the family until the case is discharged from truancy court. The truancy court process can last up to 120 days depending on the severity of the case. Each case is handled individually and different factors are taken into account.

A. Support from Dept. of Human Services (DHS):

For grades K–12th, DHS contracts with *Truancy Providers* that will support students and engage with families once the referral has been submitted to truancy court. The provider will work with the family to help identify and alleviate barriers to regular attendance. The provider will ask for demographic and attendance information on each student that they serve from the school on record or in attendance. Information can be provided if the case manager provides the school with a FERPA consent form. In order for DHS or CUA to receive records with a FERPA form, the guardian or parent has to sign the consent form or the DHS or CUA worker must present evidence of two unsuccessful attempts to have the consent form signed. The case manager must have their work ID and the FERPA consent form in order to receive the requested information.

VI. Absence Coding of Students:

A. Excused/Lawful Absence

Pursuant to SDP's attendance policy, all absences resulting in a total of three (3) or more consecutive days will require a written excuse note by a licensed health care provider. For absences that do not total three (3) consecutive days, parents may submit a written excuse note stating the reason for the absence. Notes must be given to the school within *three (3) days* upon the child's return to school. If the note is not turned in within the required time frame, the day(s) may not be excused. When a student has been absent, excused with a parent note, totaling eight (8) days (cumulative), all subsequent absences may require a written excuse note from a licensed health care provider.

Excused absences apply under circumstances such as:

- illness or injury
- teen parent leave (30 school days) after the birth of a child
- death/funeral-related absence
- education-related trips or activities
- required court appearance
- out of school suspension
- religious holidays

B. Unexcused Absence

An unexcused absence occurs when a student is absent without a valid excuse in writing. That means that either no written notice was submitted to the school upon the student's return **or that the reason provided in the notice was deemed invalid.** Examples of invalid excuses include (but not limited to):

- babysitting
- illness of a family member
- waking up late
- vacation

C. Homebound Instruction or Hospitalized/Partial Program

Any student receiving approved homebound instruction should be kept in their homeroom, and marked excused, using absence code 05. Enter notes in to the comments section.

Any student that is hospitalized or in a partial program should be kept in their homeroom, and marked as excused for the first 30 calendar days, using absence code 05. If the student stays longer than 30 calendar days, they should be withdrawn from the district using Withdraw Code WD02. Enter notes in to the comments section.

D. Authorized School Activities

Schools will have the ability to enter Absence Code 12 when students are participating in an approved school event (i.e., meeting with the counselor/nurse, sporting events, school trips, etc.)

E. Half-Day Absence Procedure: (K-8 Schools Only)

Any student coming to school two (2) hours after the start of the school day, or leaving two (2) hours before the end of the school day, will be marked as half-day absent. If the child has a note from a licensed health care provider (Doctor, Dentist, Psychologist, Psychiatrist etc.) they will be marked as half-day excused (Absence code in AM or PM box in the SIS). The note must be given to the school upon return from the medical provider, within **24 hours** of the visit. If the student does not have a note, the half-day will remain unexcused (absence code 2 in AM or PM box in the SIS), two (2) half day unexcused absences will equal one (1) full day unexcused absence.

Properly coding this policy in the Student Information System (SIS)

For students arriving two (2) hours after the start of the school day:

- To record this in the SIS for an excused absence, in *Daily Attendance* choose the appropriate absence code in the AM box, and enter notes in comments section if applicable.
- To record this in the SIS for an unexcused absence, in *Daily Attendance* choose absence code 2 in the AM box.

For Students leaving two (2) hours before the end of the school day:

- To record this in the SIS for an excused absence, in *Daily Attendance* choose the appropriate absence code in the PM box, and enter notes in comments section if applicable.
- To record this in the SIS for an unexcused absence, in *Daily Attendance* choose absence code 2 in the PM box.

F. Lateness (Tardy) - (K-8 Schools)

Any student that comes to school after the start of the school day, but less than two (2) hours after school starts will be considered late. If the student has a written excuse note from a licensed health care provider, it will count as an excused lateness (Absence code 13 in AM box in the SIS). If no note is provided to the school, it will count as an unexcused lateness (Absence code 14 in AM box in the SIS) and the student will be marked accordingly.

Properly coding this policy in the Student Information System (SIS)

For students that comes to school after the start of the school day, but less than two (2) hours after school starts:

- To record this in the SIS for an excused lateness, in *Daily Attendance* choose absence code 13 in the AM box.

- To record this in the SIS for an unexcused lateness, in *Daily Attendance* choose absence code 14 in the AM box.

G. Early Dismissal

Any student that leaves school at any other time during the day, outside the parameters set up above in the half-day absence/lateness procedure will be marked as unexcused early dismissal (Absence code 3 in PM box in the SIS). If the student has a written excuse note from a licensed health care provider, they will be marked as excused early dismissal (Absence code 4 in PM box in the SIS). The note must be turned in within **24 hours** of the student leaving school for it to be excused.

Properly coding this policy in the Student Information System (SIS)

- To record this in the SIS for an unexcused early dismissal, in *Daily Attendance* choose absence code 3 in the PM box.
- To record this in the SIS for an excused early dismissal, in *Daily Attendance* choose absence code 4 in the PM box.

H. Suspensions

Refer to the Office of Student Rights and Responsibilities’ - “Guidelines and Best Practices for Discipline,” for instructions

I. Funeral Leave

There are specific guidelines used by principals in authorizing the number of days to excuse student absences due to death in the family:

- Five (5) days, including day of funeral, taken within ten (10) working days from date of death: parent/step-parent, spouse or child.
- Three (3) days, including day of funeral, taken within ten (10) working days from date of death: sibling, grandparent/step-grandparent, or resident of the same household as student.
- Day of funeral: aunt, uncle, first cousin, niece, or nephew.

Note: A funeral excuse note is required, upon the student’s return to school from funeral leave.

VII. Taking Attendance in the SIS:

K-8 Schools (Simple Schedule)

- **Teachers are expected to record attendance** within the first 10 minutes of the start of school in SIS. **Roll sheets will no longer be used.**
- Any student late to school must report to the office for the secretary to mark them late. Since the teacher may have already marked the absent for the day, attendance must be updated for both the AM and PM.
- Students will report to the office for early dismissals and the secretary will enter the appropriate coding of these students. Schools can then go to the Ad Hoc Letters Tab in SIS and print out an early dismissal pass to give to the student to leave the building.
- Schools will use SIS to resolve attendance events, such as entering an excused absence, lateness, and entering suspensions.
- Suspensions must be recorded in the SIS, using the suspension tab. Staff must also enter the out-of-school suspension absence code in the attendance module.
- Secretaries will have access to the Attendance Wizard. This feature is used for resolving attendance for groups of students.
- If students report to an elective class for the start of the day, schools can print the sub-attendance roster for the specialist teacher to take attendance on paper and send to the office for the secretary to enter. Alternatively, the homeroom teacher can take attendance within the first 10 minutes of second period.

True Middle Schools and High Schools (Master Schedule Schools with ScholarChip)

**Feltonville Intermediate, Lingelbach, and Mayfair are to follow these guidelines*

- The ScholarChip swipe **combined with teachers taking attendance in the SIS** will be used for building level attendance; every student must either scan in or type his/her ID number into the ScholarChip kiosk **every day.**
- All students in ScholarChip schools are expected to have an ID card.
- **Teachers are expected to record period level attendance in the SIS.** When the teacher opens attendance for an instructional period, students will all display as

‘present’ in the SIS for the current day. Even if all students are present, the teacher must log in and hit save to document period attendance.

- Schools will use the SIS to resolve attendance events, such as entering an excused absence, lateness, and entering suspensions. **No attendance events should be resolved in the ScholarChip system. ScholarChip is used for building level attendance only.**
- Secretaries and Advisory/HR teachers (at Master Schedule schools) should regularly update attendance events in the SIS when documentation is provided to convert an unexcused absence/tardy to an excused absence/tardy. When a student arrives late with a note, the student should be marked “excused absent” in the periods missed and “excused tardy” for the period during which the student arrived.
- For early dismissals, first navigate to the attendance tab to enter the early dismissal code for the appropriate periods. Schools can then go to the Ad Hoc Letters Tab in SIS and print out an early dismissal pass to give to the student to leave the building.
- Any student late to school must scan in or go to the office for the secretary to enter them into the ScholarChip system. If a student brings in an excuse note, a secretary can mark the periods missed as excused.
- If a student arrives late, does not scan in, and goes directly to the classroom, the teacher will mark the student Tardy for the period. The student will be recognized tardy for that period. **We strongly encourage all students to scan in when they arrive at school.**
- ScholarChip schools have the ability to adjust the ScholarChip kiosk start times due to special circumstances (i.e., late school bus, late start time due to standardized testing, etc.). This **must** be done prior to the students swiping in, or students will be marked tardy. The tardy indicator that comes over from ScholarChip cannot be modified.
- Schools will have the ability to enter absence code 12 – Authorized School Activities, when students are participating in an approved school event (i.e., meeting with the counselor/nurse, sporting events, school trips, etc.)
- Secretaries will have access to the Attendance Wizard. This feature is used for resolving attendance for groups of students. All reports will be generated in the SIS.
- **If a student swipes in AND:**
 - a teacher does not take period attendance, at the end of the day, the SIS resolver will mark that student present.
 - every teacher marks the student absent in each period, at the end of the day, the SIS resolver will mark that student with an unexcused absence.

A. Corrections to a student’s attendance record

If a parent or guardian feels that there is an error/discrepancy on their student’s attendance record, they have the right to address it with the school. They must provide proper documentation in order for a change to be made. This documentation should consist of a written excuse note from the parent if it is less than three (3) days from the date of absence. An excuse note from a licensed health care provider is required if the absence totals three (3) consecutive days or more. Once the information is given to the school, either the principal or their designee will approve the change. If the change is approved, the change should be reflected in the SIS. Changes for the current school year can be done at the school level; changes from the prior school year must be submitted to Office of Attendance

& Truancy for correction. The school can forward all information pertaining to the case to the following email address of attendanceandtruancy@philasd.org, for change request.

VIII. Unable to Locate - Withdrawal Procedures

Compulsory School-Age Students (age 6 to 17 years old)

Schools are to follow the truancy process, complete an SAIP, and refer the student to the Office of Attendance and Truancy. If Family Court/DHS are unable to locate the family’s whereabouts, the student may be withdrawn from roll, using code (WD01), and a copy of the truancy court order must go in the pupil pocket. Student’s withdraw date can be backdated to the 11th consecutive unexcused absence.

Note: Once student is enrolled in Kindergarten, they are subject to the Pennsylvania Department of Education School compulsory age law.

Non-Compulsory School-Age Students (17 years old and over)

Students who are 17 years of age and over are beyond the compulsory age for school. If a student has been absent for ten (10) consecutive days, an overage letter is to be mailed to the home. *(The overage letter can be found on the Attendance and Truancy Website)* Please include information to the Re-engagement Center. If the school does not hear from the student within ten (10) days from sending out the overage letter, the student may be withdrawn from roll. A copy of the letter must go in the pupil pocket. Student’s withdrawal date can be backdated to the 11th consecutive unexcused absence.

Students over seventeen (17) years of age, who are absent unexcused the last 30 school days in the prior year, and do not show up at the beginning of the school year, are to be removed from roll as of the first day of school (WD01).

Note: Special Education students should not be withdrawn from roll without consultation with the Special Education Liaison.

Important Information Regarding Attendance

When resolving student attendance, do so in the SIS. Please do not resolve attendance in ScholarChip retroactively. All resolution must be entered into the SIS. Steppers and videos for attendance can be found on the sishelp.philasd.org website.

All ScholarChip kiosks must be connected to the network prior to the start of the last period of the day. This will enable data to come over to the SIS.

The Attendance Swipe Tab is available for all schools that use ScholarChip. It is in each student's SIS profile. It allows principals to see by day, the time and specific kiosk used to enter the building.

Attendance Reports Available in the SIS

The following Attendance Reports are the most commonly used reports that should be utilized by schools.

- Unexcused Daily Absence (Truancy) Report -This report lists currently enrolled students who have unexcused absences. The report can be run by the specified number of consecutive or non-consecutive unexcused absences within the selected date range.
- Attendance Percentage Report - This report provides the percentage of days present during the days enrolled. The report can be run at the student or homeroom level.
- Student Detail Attendance Report - This report lists students identified as absent or late for a specific date range. This report will list students, date(s) missed or tardy, attendance type (excused/unexcused), whether the student was absent or late, and the corresponding code.
- Class Cut Report - This report will provide information on students who have been marked present for the day and have unexcused course/section attendance. Data will reflect the student's current enrollment and schedule/roster at the selected school.

For more reports available in the SIS, including additional attendance reports, click on the link below. Report descriptions, steppers, and examples can be found at <http://sishelp.philasd.org> and are linked to the report name.

Daily Detail and Period Detail Reports in the SIS

Do not generate or disseminate the **Daily Detail** or the **Period Detail** reports found on an individual student's attendance tab. These are core product features of Infinite Campus, and do not

align with the School District of Philadelphia’s Attendance policies. These reports **should not be utilized** to document student attendance events.

Long-Term Sub Teachers

When a long-term substitute has been confirmed for an assignment, he/she will be entered into Advantage and should use the self-service setup or call the IT Help Desk to activate his/her account. Once a long-term substitute has activated his/her account, the principal will be able to assign them to sections in the SIS to enter attendance and grades for assigned classes. SIS Coaches can train new teachers on the system.

Best Practices and Strategies

Reducing chronic absence fits nicely into the three-tiered reform systems being successfully implemented to reduce chronic absenteeism in schools and districts across the United States.

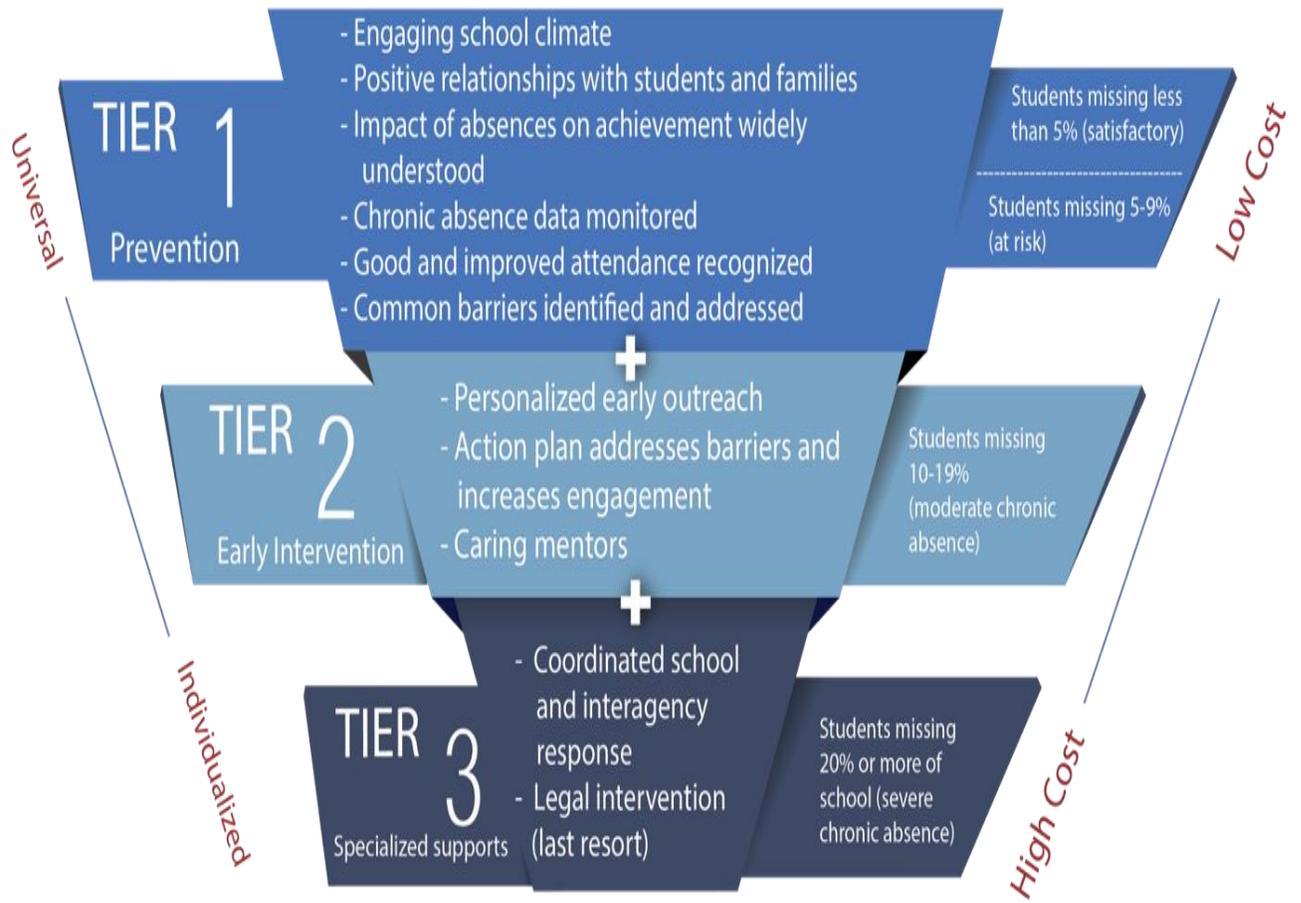

Tier 1: represents universal strategies to encourage good attendance for all students. (incentives, rewards, acknowledgements, 95% Club)

Tier 2: provides early intervention for students who need more support to avoid chronic absence. (meet with family/student, address barriers)

Tier 3: offers intensive support for students/families facing the greatest challenges to getting to school. (support/help from outside agencies truancy providers)

The pyramid graphics (below) show examples of interventions that schools and districts should try at each tier.
