Call or visit us online and get connected to care!

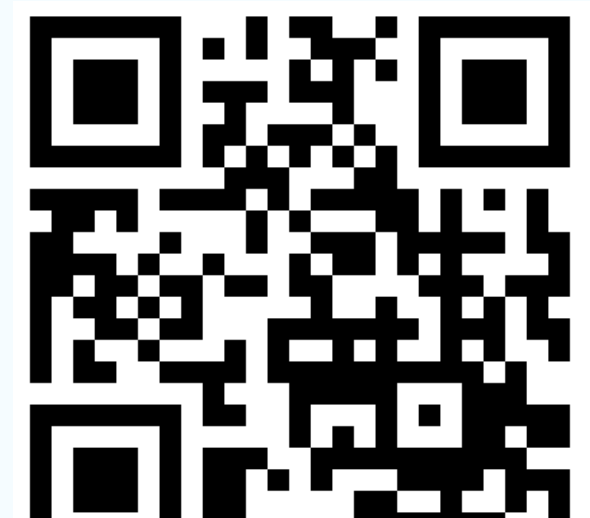

Y-HEP Health Center is **OPEN**

Monday - Friday from 9:00am - 5:00pm.

A few reminders!

- We ask that you call ahead or visit us online to make an appointment before coming to the health center.
- We ask that you wear a mask in the lobby, elevator, and throughout the health center, unless asked to remove it.
- We can still provide your care over the phone through telehealth visits if that is easier or safer for you.
- We can see youth without insurance or documentation, and offer sliding scale services for folks in need
