Teacher Leader Academy

At-a-Glance: 2018-2019 Summer Sessions

The objective of the *Teacher Leader Academy* (TLA) is to strengthen teacher leadership by aligning teacher leader roles and development structures to competencies and indicator skills essential for success. This will be done by supporting teacher leaders through intentional cohort style learning experiences in 3-day summer sessions along with professional development throughout the 2018-2019 school year.
