STEPPER 1: LOGGING IN AND SEARCHING

SEARCH:

4. For most of the search options below, you will start on the LEARNER HOME page. You can reach it by clicking the middle blue circle, or from the drop down menu under the LEARNING tab.

5. Search for an event using one of the following ways:

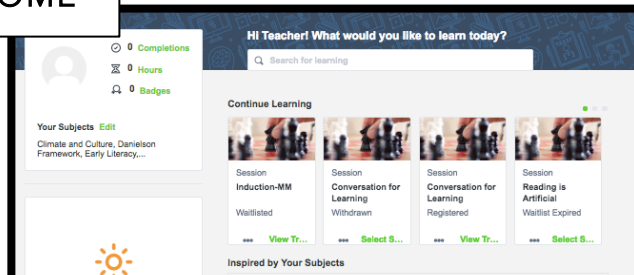

Ways to Search for Trainings or Resources:

- LEARNER HOME: Browse through the recommendations made for you.
- If you KNOW THE TITLE, PART OF THE TITLE, or THE SUBJECT: Type it into the search box at the top of Learner Home.
- If you KNOW THE MONTH it is offered: Go to the LEARNING tab. Scroll to EVENT CALENDAR.
- If you don't know any of this information: Click in the empty search box and browse all the trainings and resources available. You can narrow your results using the filter box.

Click the title of the event.

8. If you do not know anything about a particular event, you can do an ALL SEARCH by clicking in the SEARCH box and hitting RETURN.

STEPPER 1: LOGGING IN AND SEARCHING

9. You will be taken to the LEARNING SEARCH page. Here, you will see all the offerings that are available to you. To narrow your results, use the filters.

The screenshot displays the 'Learning Search' interface. At the top, there is a search bar with the placeholder text 'Search for learning'. Below the search bar, a 'Filters' sidebar is visible on the left, containing categories such as DURATION, TYPE, SUBJECT, PROVIDER, and LANGUAGE, each with a dropdown arrow. A 'Reset' button is located at the top right of the filters. Below the filters, the search results are displayed in a grid format. The results include various content types like 'Online Class' and 'Video', each with a title, duration, and a small image. A red arrow points to the search bar area. The page also shows '71 Results' and an 'Event Calendar' button.

10. Once you have found an event you want to register for, click on the title. You are now ready to move on with registration. See the next 4 STEPPERS for help with common registration scenarios.
