Toggle your tab from “active” to “completed”

The screenshot shows a user interface for searching training. At the top, there are three filter buttons: "Completed" with a dropdown arrow, "By Completion Date" with a dropdown arrow, and "All Types" with a dropdown arrow. To the right is a search bar containing the text "Sexual Harassment" and a magnifying glass icon. Below the filters, it says "Search Results (1)". The first result is a card for "Sexual Harassment Training for Non-Supervisors", which includes a small icon of books, the text "Completed: 2/20/2019 Status: Completed", and a dark blue button labeled "View Completi..." with a dropdown arrow. Two large red arrows are overlaid on the image: one points from the top center to the search bar, and the other points from the bottom center to the "View Completion Page" button.

Type in the name of the training you wish to view into the search bar. You can then click “View Completion Page” for this training.
