2. Click the title of the event.

3. You will be taken to the EVENT page. The details about the session will appear below. To register, click the VIEW DETAILS button.

EVENT

Connecting Math Concepts

Last Updated 01/23/2020 Duration 2 hours

Details

This training is for K-12 Teachers. Connecting Math Concepts introduces ideas gradually and teaches students the connections between these concepts. The focus will be on the big ideas of mathematics. Detailed explanations and guided practice move students toward independent work, ensuring that students gain success and confidence as mathematical thinkers.
