Reliable Transit will continue to provide a safe and healthy transportation environment for our passengers, drivers and attendants. Due to COVID-19 we have followed given guidelines and protocols from the CENTERS FOR DISEASE CONTROL (CDC). We have worked with our drivers and attendants in providing adequate PPE and disinfecting ALL equipment. Please read below how Reliable Transit is reducing the risk of exposure.

- DRIVERS & ATTENDANTS ARE ASSESSED FOR SYMPTOMS AND A TEMPERATURE CHECK UPON ARRIVAL. DRIVERS & ATTENDANTS ARE ENCOURAGED TO QUARANTINE FOR 14 DAYS IF RELIABLE FINDS ANY SYMPTOMS OR HIGH TEMPERATURE.
- VEHICLES ARE DISINFECTED BY GARAGE PERSONNEL IN THE MORNING, BEFORE AFTERNOON PICKUP AND AFTER VEHICLE DROP OFF.
- MANAGEMENT PROVIDES DRIVERS & ATTENDANTS WITH APPROPRIATE MASK, HAND SANITIZER, DISINFECTANT WIPES AND GLOVES.
- DRIVERS WILL NOT ALLOW ENTRY TO PASSENGERS WHO REFUSE TO WEAR A MASK. RELIABLE HAS PROVIDED EXTRA MASK FOR PASSENGERS WHO DO NOT HAVE ONE.
- DRIVERS & ATTENDANTS WILL REPORT TO MANAGEMENT ANY NOTICED SYMPTOMS ON PASSENGERS.
- DRIVERS & ATTENDANTS WILL WIPE DOWN SEAT WITH DISINFECTANT WIPES AFTER EACH DROP OFF.
- RELIABLE TRANSIT HAS MARKED OFF EVERY OTHER SEAT TO MAINTAIN SOCIAL DISTANCING.

Our procedures continue to evolve as we come together to produce more effective plans.

THANK YOU.

RELIABLE TRANSIT INC.
