

# The Parents' Guide to Google Classroom

# What is Google Classroom?

Think of Google Classroom as your child's digital link to learning.

Teachers use it to share assignments, homework, newsletters, and much more with students AND parents!

# Getting Started

Your child was provided with a secure login and password that is unique to them.

Check with his/her teacher to obtain this private information! It is the same information that your child uses to access Imagine Learning, Imagine Math and Waterford.

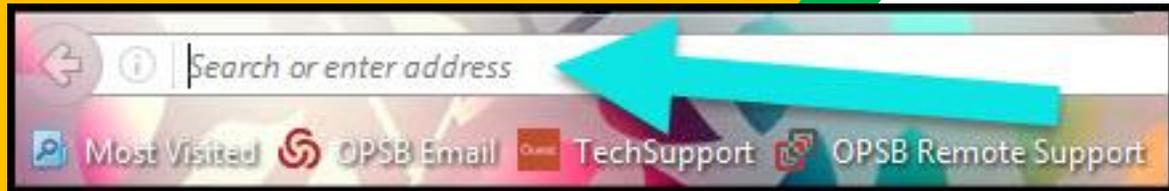

# Getting Started
