

# Google Classroom Directions

1. When you get onto our google classroom, you will see this. Click on the “Classwork” tab:

2. You will see this screen. Click on the assignment you want to work on first:

### 3. You will see this screen. Click “View Assignment”:

### 4. You will see this screen. Read the directions. Then, click on the Google Slides assignment:

**5. A new tab will open and you will see the presentation for the week. You will see this (depending on which subject you are in--this is the LA slideshow):**

**6. Begin completing the activities for the day. Each slide has directions for you to follow. Take your time and do your best!**

**7. When you are finished the activities for Days 1-5, click on the “Turn In” button:**
