

General Louis Wagner Middle School
1701 Chelton Ave.
Philadelphia, PA 19126

Dear Parents and Families of General Louis Wagner Middle School,

Since being named a System of Great Schools (SGS) school in October, we have been gathering information from our entire school community on how we can improve Wagner Middle School. As a part of this SGS process, Cambridge Education conducted a school quality review and Temple University hosted meetings to hear from students, parents, families, teachers, and community members.

I am writing to share with you that the final reports written by Cambridge Education and Temple University are now available at the school and online at

www.philasd.org/greatschools/investmentsandinterventions/wagnerschool

Thank you to everyone who participated in this process so far and shared feedback in support of making our school stronger. As a school, our goal is to be the best educators and to provide an excellent education for your children. The information shared in the reports and the data we regularly collect at the school will help us in reaching that goal.

Information from the reports and the latest school performance data is being used to determine what supports are needed to improve Wagner. In early February, we will come together as a school community to talk about school improvements, investments and supports.

Thank you for your continued commitment.

Sincerely,

Maya Johnstone, Principal

Randi Davila, Assistant Superintendent
