Dear *(Senator Toomey or Senator Casey)*:

I am asking you to support the HEROES Act, critical legislation that will provide \$60 billion in emergency funding to our nation's schools.

School districts across the nation are facing unexpected costs and revenue losses due to the COVID-19 pandemic. In Philadelphia, local revenue has dropped, and the costs associated with keeping students and staff healthy, safe and learning in September will be significant. Without additional federal funding, the School District will be facing a significant financial crisis.

The United States Senate needs to pass the HEROES Act to ensure our school districts are able to maintain operations, put appropriate health and safety precautions in place, and ensure students continue to have access to a rigorous education.

This is a vital and invaluable investment in today's students and tomorrow's citizens and leaders of our nation. Thank you for safeguarding public education in Pennsylvania.

Best regards,

*(Your name)*
