

THE SCHOOL DISTRICT OF
PHILADELPHIA

GRANT SPOTLIGHT

Mini Grants for Equitable Access to STEM Opportunities, administered by The Fund for the School District of Philadelphia

Application Opens: OPEN NOW!

Application Due: April 9th

Eligible Applicants: K-12 SDP Teachers from all curriculum fields. Must have Principal approval.

Estimated Range of Awards: A total of \$30,000 is available for grants. Teachers may request up to \$1,500 for a single teacher project. For collaborative teacher projects a total of \$2,500 may be requested.

Background: The Fund for the School District of Philadelphia received a grant from GSK as part of its major investment in "STEM Equity" in Philadelphia. The Fund for the School District of Philadelphia will administer the mini grant funds and manage the grant application process. Reviewers include Fund for the School District staff and School District of Philadelphia administrators. The School District Office of Grant Development will hold a series of information sessions and grant writing workshops throughout the month of March to support teachers in their application.

Purpose: All proposed projects must serve Black, Latinx, and female students by encouraging these students to actively engage in areas of STEM and encourage them to consider STEM careers. Applications will be submitted to the Fund for the School District of Philadelphia.
