GRANT SPOTLIGHT

Ongoing Support Available for School Resource Academy

School Resource Academy is an equity project developed by the Office of Grants Development, that will help school leaders and school teams to cultivate and strengthen their fund development skills. It is designed to equip schools with the tools they need to improve their ability to raise funds for their classrooms.

Hopefully you were able to attend one of the info sessions in November. If you weren't don't fret! **The Office of Grants Development offers ongoing support for school-based staff, external partners, and parents in pursuing funding to support Philly public schools.** Whether your project is small or big, please reach out to us!

If you have questions or need support, please email grants@philasd.org.
