

THE SCHOOL DISTRICT OF  
PHILADELPHIA

## GRANT SPOTLIGHT

Choose *Fundraising for Public Schools: An Intro to DonorsChoose* for your next principal-directed PD!

The Office of Grant Development (OGD) is offering a special professional development opportunity to individual schools. *Fundraising for Public Schools: An Intro to DonorsChoose* is a session that will teach student-facing District employees how to most easily harness individual generosity through DonorsChoose in order to obtain extra resources for students, classrooms and schools. Since 2017, SDP users of DonorsChoose, the only crowdfunding site for teachers that is approved by the SDP Board of Education, have acquired more than \$7M in customized resources for their schools and classrooms.

If you would like to host this PD at your school please speak with your principal! Principals, if you would like to schedule a session during a principal-directed PD day next year, please email [grants@philasd.org](mailto:grants@philasd.org). Find more information on page 2 of the June OGD Newsletter.
