PHILADELPHIA

Swing Space Master Plan

For Temporary Relocations of Schools

SY 2023-2024

Tony B. Watlington, Sr., Ed. D.
Superintendent

Oz Hill
Chief of Operations

Swing Space Selection Criteria

Types of Facilities Considered for Swing Space:

- Vacant District buildings
- Underutilized District buildings
- Leasing commercial property
- Leasing college space
- Selective employment of modular units

How Swing Spaces are identified:

- Distance from current schools (regional geography)
- Amount of space available
- Separate entryways and exits
- Timely availability
- Usable square footage
- Life safety systems
- Environmental Quality
- Building systems conditions
- ADA access

Evaluation of each facility was performed by subject matter experts from:

- Academic Programming & School Administrations
- Capital Programs
- Environmental Management Services
- Facilities Services
- Food Services
- Health Services (Student)
- IT
- Maintenance Services
- School Community Stakeholders
- School Safety
- Transportation

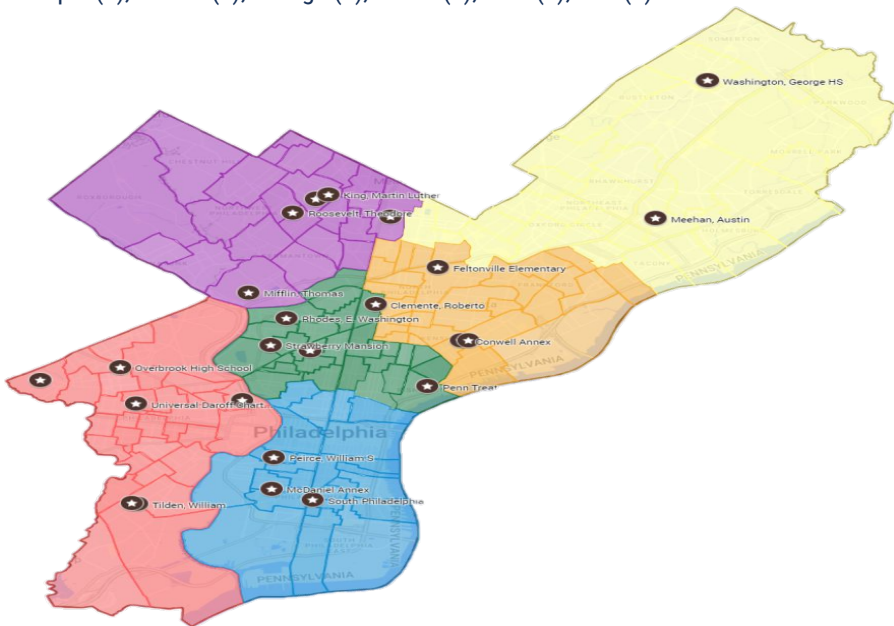

Swing Space Regional Map

The process to identify swing space is driven by:

- Plan to address long term facility improvements
(**Strategic Actions 1.1 & 1.2**)

Currently, there are **24 swing spaces** across the District's regions. We are consistently evaluating swing space feasibility and availability relative to enrollment in each region.

Purple (5), Yellow (2), Orange (3), Green (5), Blue (3), Red (6)

Region	Current Swing Spaces
Purple	Ada Lewis, CCP NW Campus, Mifflin, MLK HS, Roosevelt
Yellow	Meehan Washington HS
Orange	Conwell Annex Feltonville Elementary Mastbaum HS
Green	Clemente, E.W. Rhodes Penn Treaty, Pratt, Strawberry Mansion
Blue	South Phila HS W. S. Pierce McDaniel Annex
Red	Bartram HS, Daroff, Lamberton, McMichael, Overbrook HS, Tilden MS
Total	24 Current Swing Spaces
